Dear Professor Olbertz-Nauen,
many thanks for your positive reply. To confirm the details: the keynote (45 minutes plus questions) is scheduled for the morning of 19 May 2027 in Aarhus. As is customary for our Industry Day keynotes, NAIS offers an honorarium of EUR 800, paid after the event against an invoice. Unfortunately we are not able to reimburse travel or accommodation costs.
Kind regards, Mikkel
