Trip No. 1000073120	Created 13 September 2027 — Status: Submitted
Employee	Dr. Oliver Fröhlich, Department of Applied Geoscience, FB 14
Trip type	Domestic trip (Germany)
Destination	Konstanz
Business purpose	Workshop "Remote Sensing of Lakes" (WRSL 2027), 18 October 2027, 08:30 to 19 October 2027, 17:00; talk on 18 October 2027, 11:20 (programme attached)
Departure / return	Sunday, 17 October 2027, 15:48 / Tuesday, 19 October 2027, 17:40 (departure from Konstanz) -> home 22:50

Justification for travelling on the day before the event:

The workshop starts at 08:30. With a departure on the morning of 18 October 2027 the earliest possible arrival in Konstanz is 12:40, i.e. after the start of the first session and after my own talk. Arrival on Sunday evening (21:20) is therefore necessary. (Sunday travel: working-time rules for travel days applied.)
